About

As a multi-skilled, individual with experience in both telesales and the smooth functioning of all warehouse activities. Also singer songwriter solo artist JAYD. I possess a strong commercial acumen and have a proven track record in closing deals over the telephone and face to face. Displays an in depth understanding of the importance of customer service and recognizes the need to balance profitable growth with customer satisfaction. Now looking to make a significant contribution to a company that rewards effort and enterprise in customer service & sales & marketing & in the entertainment industry.

Experience

● Brand endorser / Model

ModelManagement.com | Dec 2018 - Now

modelmanagement.com is the world's modeling community, leading the way internationally in connecting new faces (aspiring models) and professional models with reputable agencies, photographers, stylists and other industry clients. We pride ourselves on delivering a service that is not only desired, but also innovative and highly effective. After a lengthy process of research and development including consultation with top modeling agencies, modelmanagement.com has been created to make a fast, streamlined and efficient service that gets proven results and is an essential tool for the modeling community. Our dedicated team of professionals has a combined 30 years of experience in the modeling industry, from the catwalks of Milan, to designing IT systems for some of the premier model agencies in Europe. We are passionate about providing a professional online platform, which benefits all new and professional participants in the modeling industry.
