Experience

● TRADEWIND RECRUITMENT

Sanza Teaching Agency | Jun 2024 - Now

My experience as a TA with kids of all ages has really enhanced my ability to be patient, empathetic, and creative. I appreciate that I get to work with people from a variety of backgrounds and that I always learn something new.

● Pharmacist Assistant

OSBORNE PHARMACY | Jul 2022 - Jul 2022

During my two weeks here, I had hands-on experience in computer system management, prescription delivery, and patient interaction. I was exposed to a range of drugs, types of dosage, and treatment plans, and I learned about their interactions and adverse effects. All of which are all essential components of pharmacology.

● CASHIER

FIVE STAR CATERING COMPANY TOWER HILL | May 2021 - Sep 2021

Working at the register, interacting with clients, recommending the best offers, and supporting my colleagues were all part of my duties.
