## About

Proficient manager with extensive experience in hospitality, specialising in recruitment, payroll, HR, performance management, stock management, events and H&S procedures. I am a highly organised, imaginative, reliable, efficient and personable person who is driven to consistently achieve outstanding results in challenging environments. Excels in problem solving, listening and communicating with guests, staff and senior managers. I have over 5 years' experience in a range of hospitality establishments working as waitress and progressing to management positions where I am now manager at SumosanTwiga in Knightsbridge.
