About

I'm Anas, a art director professional from Syria originally but now living and working in sunny Dubai, UAE for the past fifteen years.

As a professional and creative designer, I have over 15 years experience of working in the design environment and experience in most advanced visualisation tools including Adobe Creative Cloud suite.

I have excellent design skills and awareness, plus a proven expertise in the creation, design direction, artworking, branding, client briefings, team leading and various design studio tasks.

Skilled, polite, friendly and inquisitive with great ideas and design sense
