Experience

● - Accessories designer

| Apr 2022 - Now

I propose consulting in fashion design accessories and help my clients for the Development of product strategy. I work on all creation of creative accessories project and follow manufacturing and suppliers in order to have the best product that answer to clients's expectation .

● - Leather goods designer

Renato Corti Spa | Apr 2016 - Apr 2022

I work on Chanel brand for leather goods collections (six by year) as well as for other brands for special projects. I propose mood of inspiration, drawings and propositions for bags, metal accessory, embroideries and embellishment. I follow collections with the manufacturing plant based in Milan and Italian and French embellishment suppliers. I workwith a design team located in the manufacturing, the best way to develop knowledge of leather goods process and the launching of prototypes.

● - Junior leather goods designerWoman and men studio

CARVEN | Jul 2015 - Nov 2015

Collection SS16 / Preco AH17 on the SS16 collection / I developed bags and jewellery for the show and to complete the commercial collection with other products. I proposed mood, I corrected prototypes and I followed the fabrication and development.

● Accessories designer assistant - under Artistic leather goods director

Prada | Mar 2015 - Jul 2015

I worked on the elaboration of moodboard and made researches for inspiration
I made illustrations and technical drawings for the collection SS16.

● - Accessories designer assistant - women and men studio

CARVEN | Apr 2014 - Oct 2014

Pre-co SS15 / Fashion show's collection SS15 I worked on iconographic research, leathers and colors. I made specially Photoshop photomontages, drawings and colorways. shoes prototypes. I followed the manufacture and I launched shoes prototypes with the product developer.
