Campaign Planning Manager

Superdry | May 2022 - Now

Input and ensure all Marketing campaigns are consistent across all channels with the desired brand positioning, to ensure that the Superdry brand is expressed consistently and continuously using agreed creative guidelines and copy. Support in the development of the 18month campaign plan using customer and market insight, and industry trends to ensure a consumer-led plan that aligns with the brands trading objectives across all channels Be responsible for the campaign planning process for owned collections, collaborating with peers to ensure tracking against timelines and landing campaigns and projects on time. Support in compiling a visual detailed campaign plan for approval by the Senior Campaign Planning Manager, Head of Marketing, and Chief Marketing Officer and deliver clear customer-led campaign briefs for our internal Brand Creative team and on occasion external agencies. Support with the brief for seasonal toolkits, content and assets that enable the Marketing team to deliver and execute consistently, globally and across all channels. Work collaboratively with our Collection Strategy and Merchandising teams to ensure commercial and seasonal key products and packages are covered within all campaign plans. Be responsible for evaluating the success of campaigns for key stakeholders, identifying, and driving improvements. Build strong cross-functional relationships with Collection Strategy, Merchandising, Marketing, Brand Creative, Channel business owners and Design to deliver aligned marketing plans. Understand costs and our creative budgets, working with the Senior Campaign Planning Manager and the Head of Creative Operations to maximise the ROI of all brand/marketing activities.

Copywriter & Content Editor

Superdry | Aug 2020 - May 2022

Champion the Superdry brand tone of voice across all collections and campaigns, tailored to the key target consumers. Proofread, edit, and currate engaging copy. Lead on creative concepts for campaigns. Create copy guidelines and tone of voice for Seasonal campaigns and projects. Collaborate with teams and key stakeholders around the business to ensure a consistent brand tone of voice across all consumer touchpoints. Collaborate with Marketing teams to plan and deliver a seasonal copy strategy that supports the shape of the season, whilst appealing to our target consumers. Bring key trading messages to life in conjunction with the Brand Design and Marketing teams. Act as Editor and guardian of the brands' tone voice across all channels to market. Currate and implement a brand tone of voice across all collections. Take work from concept to final execution within deadlines. Ensure all creative copy is well written, logically structured, and grammatically accurate and, where appropriate, is supportive of SEO objectives and delivers against the relevant metrics. Develop and implement a brand content strategy. Curate content that is fit for purpose and helps guide the desired consumer through the customer journey to purchase.
