Who'S Who Ltd

## Experience

### ● Development Consultant

TechKnits | Feb 2020 - Now

- Develop strategies to balance customer expectations and company objectives
- Implement plans to increase sales
- Coordinate with customers for product launches and seasonal opportunities
- Analyze best and worst-selling products and market trends to anticipate needs and plan product ranges
- Present products and new opportunities to engage buyers and increase sales hit rate
- Understand trends, competition, and market factors influencing buying decisions

### ● Product Development and Technical Manager

Deutsche Bekleidungswerke (Dbw) | Jul 2015 - Feb 2020

Long Hậu, Cần Giuộc, Long An, Ho Chi Minh City

- DBW (Royal Spirit Group Ltd) – Ho Chi Minh Royal Spirit is a Hong Kong based group that has opened its newly built manufacturing plant in Vietnam. It is a state-of-the-art five-floor building. Reporting to the General Manager, I am responsible for:
  - Managing a team of staff and coaching the team (mostly local staff without previous experience in knitwear).
  - Providing technical advice and support to customers, the merchandising team, and technical team members.
  - Reviewing all new tech packs and instructing the technical team and merchandising team about customers' requirements and technical solutions.
  - Attending meetings with designers and fitting sessions, and based on feedback, instructing technicians about changes or improvements to apply to samples.
  - Researching and developing new knitting techniques and stitches.
  - Reviewing and analyzing production data and providing technical support to the GM for costing construction.
  - Working closely with Merchandising and Production to ensure meeting development deadlines and production plans.
  - Overseeing tracking charts for achieving development timeline goals.
  - Supervising implementation projects designed to enhance system productivity.
  - Effectively communicating with all key stakeholders, including project teams, internal clients, and external parties.
  - Providing exemplary training and mentoring to employees to boost productivity.

● **Stoll Knitting Programmer Specialist**

Who'S Who Ltd | Mar 2013 - Jul 2015

- Programming machines and computers.
- Translating design ideas into computer programs to create the right garment.
- Consulting with designers to determine the correct knitting structure and technique.
- Calculating garment sizes.
- Maintaining knitting machines to prevent faults.
- Specializing in 'Fully Fashion' and 'Knit & Wear' programming.
- Exploring alternative knitting solutions during high demand, aiming for increased efficiency without sacrificing quality.

● **Stoll Technician Specialist**

A To Z Garments Ltd | Mar 2011 - Mar 2013

- Stoll 'M1 Plus' programmer specializing in Fully Fashion and Knit & Wear.
- Responsible for knitting planning, programming, and maintaining the knitting machines.
- Training staff on Knitting and Pattern design concepts.
- Translating design ideas into computer programs to knit the correct garment.
- Calculating the size of the garment.

● **Knitting Technician - Consultant**

Acl Knitting Solutions Srl | Feb 2006 - Mar 2011

- Provided maintenance services for the customer's knitting machines ( Stoll , Protti , Shima , Universal , Omega , Mecmor and Zamark Knitting machines )
- Provided reconditioning services .
  - Training new programmers and new knitters .
  - programming Stoll , Universal , Shima and Protti machines .
