## Experience

### ● the Strategy and Intelligence team

Westminster City Council | Jul 2023 - Jul 2023

Work experience as part of the Strategy and Intelligence team in Westminster City Council

• Westminster, Central London

Gained work experience working on part of an official project 'Theatre-land', a case study of the West End as a hub of licensed premises, and the economic benefits and costs of this cluster of theatres as a part of Westminster's evening and night-time economy. Seized the opportunity to talk to professionals about their roles in the Economy team, gaining insight to how Westminster's economy is kept thriving. Presented my section of the project to the team and enhanced my communication and public speaking skills. Sat in meetings discussing Westminster's economy, and experienced a real perspective of how economics works in the real world.

### ● Junior Shop Assistant

Holtwhites Bakery | Apr 2023 - Now

Weekly part-time job at my local bakery, serving bakery goods as a cashier and indulging in my role as an assistant. Has allowed me to gain communication and problem-solving skills in customer service by dealing with people and working with colleagues.
