About

Are you looking for a Branding and marketing expert ?

I help you design strategies and campaigns to your image, by combining my skills in marketing and communication, as well as ethics and consumer psychology. In each of my project, creativity, respect and ethos are at the heart of each of my reflections, in order to offer activations in total agreement with your values!

My areas of expertise :

- Marketing campaign:

USP, big idea, 5 pillars of any campaign (communication, PR, SM, e-commerce, in-store)

- Project management :

ideation, partner contact, implementation of activations, operational...

- Market research :

analysis of trends, competitors, brand positioning, insights...

- Marketing strategy :

market analysis, consumer psychology, offer definition, pricing...
