Experience

● Sustainable Designer

Sisley | Sep 1998 - Sep 2022

I have worked in Designer department for several years in a very important Italian fashion brand and I also have a family business that deals with bespoke luxury tailoring.

I have excellent relationships with the team, curiosity, enthusiasm and determined.

My skills are:

- inspirational research and study trends to choice colors palette, fabrics, accessories, trims and details customization
- visit to the trade fairs, direct contacts with the suppliers or directly from vendor
- checking the team's sketches
- constantly comparison with commercial department in compliance with timing, briefing and costs
- explanation of the sketches to pattern maker
- following the development of the prototypes and fitting
- final consolidation of the collection
- make the outfits with the stylist and support to make look book shooting

In addition to my experience and relationships-building experience, I have a solid educational foundation and a passion to contemporary art, architecture and design. I practice sports and I am a mother of two boys studying economics at the university of Venice.

Last week I started a sustainability course related to the world of fashion at PIN - Firenze/ Prato university. Next year I already plan to attend a project manager course at Sda Bocconi Milano university.

I would much appreciate the opportunity to contribute to your ongoing growth and continued success.

Do not esitate to reach out if you have any questions or need further clarification on my experience. I would like to meet you and discuss this position in detail.

Thank you very much for your consideration.
