About

Discover my work at: daphnekheiraneun.com

Hello, my name is Daphné Kheira Neun I am a designer, specialized in fashion design, new trend research, and styliste, serving different clients in fashion and advertising.

I also created Maison Zaouli, a clothing and textile publishing brand, which aims to create a new manufacturing dynamic in Africa, and to promote the economic and social development of craft workers, While being part of an eco-responsible approach.

These multiple activities offer me creative versatility, and thanks to this I have acquired a capacity of adaptation that allows him to work in varied environments. I work in collaboration with my clients, to help them define their identity, create complete collections, or sometimes only on a specific stage of creation.
