- Just Eat Takeaway

Experience

● Stewards

N5 Security | Jan 2022 - Jan 2022

As a Stewards Security team member with N5 Security, my role was to provide a safe and inclusive environment for participants and attendees at a Pride event. I was responsible for ensuring the security and smooth operation of the event while also contributing to its celebratory and welcoming atmosphere.

Key Responsibilities:

Crowd Control: Managed and monitored the crowd to prevent and address any disturbances or incidents, maintaining a balance between security and the event's celebratory spirit. Conflict Resolution: Effectively resolved conflicts or disputes among attendees, maintaining a calm and respectful demeanour while de-escalating tense situations. Emergency Response: Acted as a first responder in case of emergencies, promptly coordinating with medical personnel or law enforcement if necessary and assisting attendees in evacuation procedures. Customer Service: Provided a welcoming and friendly atmosphere for attendees, answering their questions, and assisting them in finding event locations or services. Communication: Maintained open communication with fellow security team members and event organisers to report incidents, concerns, or changes in the security situation. Evacuation Procedures: Familiarised I with event evacuation plans and procedures, ensuring that attendees were informed and guided in the event of an evacuation. Patrol and Surveillance: Conducted regular patrols of the event area to identify and address any security risks or safety hazards.

● food delivery

Domino's Pizza Delivery | Jan 2019 - Jan 2022

timely and accurate delivery of food orders to customers. this role involved more than just driving; it encompassed various customer service aspects to guarantee a positive experience for patrons.

Key Responsibilities:

Order Accuracy: Carefully checked and verified food orders to ensure they were complete, accurate, and properly packaged for delivery. Timely delivery: Efficiently navigated routed and traffic to deliver orders within the specified timeframe, adhering to the company's delivery guidelines. Customer interaction: Maintained a courteous and professional demeanour when interacting with customers during the delivery process, addressing their questions or concerns with politeness and patience. Safety: Prioritised safety by adhering to traffic laws and company safety protocols while operating the delivery E-bike. This includes regular vehicle maintenance and cleanliness. Problem-Resolution: Effectively handled any issues or discrepancies that arose during deliveries, such as incorrect orders or delivery delays, by promptly notifying the restaurant and providing solutions to ensure customer satisfaction. Cash Handling (if applicable): Managed cash transactions accurately and securely, ensuring the correct change was provided and following cash-handling procedures if collecting payments. Navigation and GPS: Utilised navigation tools

and GPS systems to efficiently plan routes and locate delivery addresses, minimising delays and ensuring on-time deliveries. Communication: Maintained open communication with restaurant staff and management to relay customer feedback, address and challenges, and coordinate orders effectively. Hygiene and Food Safety: Ensured that food items were transported and delivered under safe and hygienic conditions, following the food safety regulations.
