About

As a recent Fashion Production and Business graduate, I am looking to further my competencies and gain experience in the areas of digital design, pattern development and garment technology. I have developed excellent vocational communication skills through educational, entrepreneurial and employed experience that enable me to communicate ideas and information using the most professionally presented and suitable media, with a focus on digital competencies. I am motivated by my passion for the progression of quality and sustainable practices within the fashion industry. My career goal is to investigate industry 4.0 integration within the fashion production industry, such as employing 3D body scanning technology, to improve both production sustainability and product function.

BRANDS WORKED WITH

PARFOIS

Douglas and Grahame Ltd

Sewn By Shiv

Seams Perfect Alterations

SKECHERS

Connelly Equestrian Centre

Creative Sewing

Experience

● Retail Supervisor

PARFOIS | Jan 2023 - Sep 2023

My responsibilities at parfois include customer service, managing daily tasks, opening and closing the store, visual merchandising and communicating with higher management.

● Quality Control Technician

Douglas and Grahame Ltd | Jun 2022 - Feb 2023

- Pre-production, pre-shipment and bulk garment assessment for measurement, specification compliance, and visual quality.
- Report writing.
- Communicating with suppliers.
- Updating tech packs and trim guides.

● Small Business Owner

Sewn By Shiv | Jul 2021 - Now

In July 2021 I launched my first 7 piece collection under the SewnByShiv label. I developed all the patterns myself, built the website, produced all the pieces and managed all the orders independently. I have since produced a second collection and I plan to further develop this brand following some essential industry experience.

● Tailor

Seams Perfect Alterations | Sep 2020 - Jun 2022

My duties at Seams Perfect include:

- Making alterations and repairs to garments.
- Operating a variety of industrial sewing machines including lockstitch machines, overlocking machines, blind hemming machines, cover-stitch machines, baby-lock machines, embroidery machines, and industrial irons.
- Taking measurements and fitting garments to customers.
- Cutting garments and textiles.
- Customer service

● Sales Assistant

SKECHERS | Sep 2019 - Sep 2020

Responsibilities include:

- Customer service.

- Stock management.
- Reaching daily KPI targets.

● **Horse Riding Instructor**

Connelly Equestrian Centre | Jan 2018 - Aug 2019

January 2018 to August 2019

Having worked with horses for the most part of my life, and following obtaining a Distinction in both the BHS 'Stage One Horse Knowledge and Care' and 'Stage

One Riding' I possessed the essential hands-on knowledge and experience

necessary to fulfil this role.

My duties as an Instructor included:

- Arranging, writing and complying to lesson plans.
- Co-ordinating and instructing summer camps.
- Assessing the ability and progression of my students.

● **Tailor**

Creative Sewing | Mar 2017 - Aug 2021

My duties at Creative Sewing include:

- Making alterations and repairs to garments.
- Operating a variety of industrial sewing machines including lock stitch machines, overlockers, blind hemming machines and industrial irons.
- Taking measurements and fittings customers for garment tailoring and alterations.
- Cutting garments and textiles.
- Customer service.
