BRANDS WORKED WITH

Anna Mason London

Catherine Walker & Co

Mrowca

Uk Textile Group, London

Experience

● Senior Production Coordinator and Product Developer

Catherine Walker & Co | Sep 2021 - Now

- Overseeing and coordinating atelier workflow (monitoring work of the team, planning the cutting list, overseeing and consulting every step during the creating process, quality control)
- Technical interpretation of designs, collaborating with the team to achieve the desired design and performance outcome
- Administration of each collection (new patterns, style bible, detailed sample technical information, creating and updating reference archive)
- Sourcing and purchasing fabrics and trims, mainly from Italy, France, Spain and Far East, monitoring deliveries
- Liaising with external suppliers (embroidery, print, customized belts and buttons, customized shoulder pads, composition labels etc.)
- Regular assistance with Made to Measure customer appointments: viewings and fittings (calico and fabric fittings, taking body measurements, constructive communicating all changes to pattern cutters and tailors/seamstresses)

● Product Developer and Production Coordinator

Anna Mason London | Jan 2020 - Apr 2020

- Working closely with Designer Team and technical interpretation of sketches and ideas
- Creating Tech-packs, overseeing sample development in house and externally, fittings, quality control
- Overseeing technical aspects of development - textiles and trims
- Liaising with external suppliers (pattern cutters, graders, tailors and dressmakers)
- Liaising with garment factories, handing over all technical information, following up, chasing and quality control, dealing with quality issues
- Coordinating shipments of all trims and fabrics from suppliers to garment factories, coordinating shipments of ready garments to warehouse in London, coordinating shipments from London warehouse to vendors (buyers)
- General administrative support including fabric management, trim preparation, grade management, visiting overseas factories and trade shows, sourcing for new suppliers in Europe (Poland, Italy, France, UK).

● Senior Product Developer and Production Coordinator

Uk Textile Group, London | Aug 2019 - Sep 2021

- Liaising with Design Team, creating tech-packs and handover to Far East factories, updating all technical changes arisen during production process, improving garment performance and achieving highest standards
- Monitoring whole development process (testing and QC development

samples, Pre-Production and Production Samples), regular follow up with factories regarding production progress and solving arisen issues: technical, quality, shipment

- Leading fit sessions, updating comments and hand over to the production factories, monitoring outcome
- Setting up sizing charts, creating measurements for every garment (woven, jersey and knitwear)
- Creating composition labels, barcodes, stickers etc. and handover to factories

● **Product Developer, Production Manager**

Mrovca | Jan 2014 - Apr 2020

- Creating and managing production and supplier relationships in Europe (Italy, France, UK, Portugal, Poland)
- Coordinating the design process from conception through to final styling and launching of new collection
- Managing price structure
- Sourcing and managing external suppliers (embroidery, pleating, print on silk and synthetic fabrics, branding)
- Managing entire customer order process (appointments, calls, e-mails, viewings, fittings, after sale care)
