About

Hitesh Taral is a Digital Marketer, Growth hacker, and unconventional marketer who is exceptional at helping startups grow from A to Z by building rapid-experimentation-based growth hacking campaigns. He uses the power of leverage, a combination of offbeat Digital channels, and Traditional Marketing campaigns for startup growth. He brings 8 years of digital growth expertise, a lot of past decision-making data, and an extremely reliable experience-driven gut feeling for growth to the startup ecosystem.
