## About

A skilled senior Project Manager with 12+ years experience in interior design. I have a proven track record in successfully delivering in multi-national retail, (new stores and refurbishment projects), office spaces, and residential spaces in the APAC region. Client and employers include Louis Vuitton, Ermenegildo Zegna and Christian Dior. My expertise includes both interior fit-outs and facade design of outlets. I have highly developed multitasking skills in delivering complex projects with an exceptional eye for detail. I liaise efficiently with external suppliers, clients and manage internal stakeholders to ensure superior outcomes completed on schedule, within budget and with a strong emphasis on quality. I am seeking opportunities to consolidate and develop my experience to date in a multi-national retail environment in the UK.
