About

Hey there!

I'm Bruna Guarizo, a graphic designer based in São Paulo, Brazil.

I'm graduated in Graphic Design from ESPM-SP and postgraduate in Branding from IADE - European University.

Also, I study a little bit of social media, digital marketing, user experience and motion, always seeking to improve the different areas that can complement the design.

In more than 5 years of career, I worked across different areas of design including branding, graphic design, social media, editorial, digital, motion and campaigns.

I've had the pleasure of working with brands such as Group Hering, Coca-Cola, Pomarola, Dasa, Conta Simples, Rumbazo, Casual Exame, Goomer, Latitud and many other amazing brands.

I'll be happy to be part of your project. If you want know more about me and my work, just send me a message :)
