About

Aspiring Fashion Buyer & Merchandiser with 8+ Years of Retail Experience and a A first class honours in Buying and Merchandising

Eager Buying & Merchandising graduate currently working for Burberry after a long history with AllSaints and Schuh. With 8 years in retail, 4 in management, I'm ready to start a career in fashion buying and merchandising.

Key Highlights

Retail Leadership: Four years as a retail leader have taught me store operations, team management, and customer service. My teams consistently exceeded sales targets while providing excellent service.

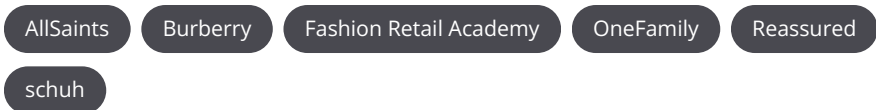

Brand-Forward Mindset: Experience with Burberry, AllSaints, and Schuh has broadened my understanding of brand identity, product selection, and market dynamics. Having worked with these brands has given me valuable fashion industry insights.

Analytical & Strategic Aptitude: My analytical skills from my buying and merchandising degree allow me to make data-driven decisions that maximise inventory turnover and profitability. I spot trends and understand consumer behaviour to a high standard.

Career Ambitions: I'm now looking for a dynamic and demanding position in fashion buying and merchandising where I can use my extensive expertise to drive innovation, create engaging product selections, and contribute to the development and success of a forward-thinking fashion business.

Let's Talk! I am open to networking possibilities, partnerships, and discussions in the fashion industry. Please contact me if you want to discuss employment vacancies, or industry insights.
