About

Demonstrating excellence in Product and Business Development, Merchandising, and Stakeholder Coordination, I am passionate about Market Intelligence and Costing. Specializing in Product Risk Analysis and Mitigation as a Sourcing Specialist, I excel in building enduring relationships with Suppliers, Buying and Designing teams. My expertise includes long-term capacity planning, crafting Road Maps that drive million-euro business opportunities.

As a professional, I embody qualities of a quick learner, strategic and analytical thinker, and a problem solver with exceptional leadership skills.
