● Creative and Marketing Director

Luxe To Kill | Mar 2018 - Mar 2019

Working on a freelance basis for Manchester based fashion ecommerce brand Luxe to Kill, as a Freelance Graphic Designer and previously as the Creative and Marketing Director. I primarily work with the company director establishing the brand's presence and channels of communication, whilst planning and overseeing all visual content. I lead on all design concepts for the brand marketing content, utilise social strategies for the brand, and realise multi media campaigns on a seasonal and on-going basis. I also work with Luxe To Kill's sister brand, influencer and events agency, Muse The Agency (formerly The Luxe Lust), planning and booking international and national influencer trips and events, along with creating and directing appropriate marketing and social content. Key Responsibilities:

- Planning social marketing strategies to drive sales and website traffic working toward targets and company goals, whilst boosting social engagement for both Luxe to Kill and The Luxe Lust.
- Working with the Social Team and Content Writers to implement social strategies, whilst planning and overseeing a range of social media content, including, Instagram posts and stories, Instagram videos, YouTube content, Influencer content and written content, i.e. campaign copywriting and blog posts.
- Overseeing the Social Team and Content Writers for the Luxe Life blog, planning content and feeding back amendments where needed.
- Leading on campaign planning and execution, including collaborations as well as seasonal and on-going advertising and marketing campaigns.
- Leading on all aspects of design, from website design to packaging design.
- Planning international influencer trips, i.e. Mykonos, Bali, Dubai.
- Planning national influencer and brand events, i.e. Product/Collab Launches.
- Art direction and photoshoot planning; both model based and product led.
- Working with a range of stylists, make up artists, photographers, retouchers and videographers to realise campaign content, both in the UK and abroad.

● Lead Graphic Designer

HD Brows | Jun 2017 - Mar 2018

Working in-house as the Lead Graphic Designer for HD Brows, leading, managing and designing all print based, and digital collateral for the business. My biggest achievement at HD Brows is working with the 2018 rebrand campaign from model casting, to final print proofing, and seeing the vision come to life. Key Responsibilities:

- Line management of the Junior Graphic Designer, freelance Photographers and in-house Graphic Design freelancers.
- Managing the studio, briefing processes and workflow.
- Managing budgets for product and creative photography, along with all design/ photography related assets.
- Communicating and working daily with all aspects of the business and marketing team, for example, content, social, web development, ecomm, PR and legal.
- Responsible for leading all design aspects of the business including packaging design, e-shots, social media, ecommerce, web design, promotional and sales materials, trade advertisements and trade show materials/stand artwork, presentations, salon and trade materials, brand campaigns, brand development, training and education and event materials, to name a few.
- Responsible for organising and managing the print and digital deadlines for all artwork covered in the company re-brand, whilst ensuring deadlines and briefs are met, whilst keeping in budget.
- Overseeing filming and photography.
- Feeding back retouching amends to both in-house and outsourced photographers
- Art direction; both model based and product led campaigns.

● Designer - Beauty Team

Haddow Group | Jul 2015 - Mar 2016

Designing and working closely with my Line Manager/Designer, Account Handlers, New Product Development Directors, Cosmetic Technicians and Merchandisers on both Private and White Label brands, to create high quality and well thought-out solutions to briefs for Cosmetics, Beauty and Gifting retailers such as:

- Ann Summers
- Boux Avenue
- Savers
- B&M
- Superdrug
- Argos

Main responsibilities of the role are primarily Packaging Design and Art-working, CADs, Packaging Mock-Ups, Trend Forecasting Analysis, Pitch Presentations, Comp Shopping, Proposals and Costing Sheets. International liaison with retailers and manufacturers is also carried out as and when required.

Recently I have also been working closely with the in-house marketing department to ensure strong and efficient development and promotion of relevant social media correlating with the Beauty Team to ensure brand growth and revenue. This entailed organising and attending meeting with research, ideas and marketing based solutions for Instagram, YouTube and Facebook including Blogger/Vlogger features. Whilst working closely with the marketing team, I ran InDesign workshops that were carried out on a regular basis with the team to ensure their skill sets were to a high standard to produce quality brochures and other marketing and promotion based collateral.
