About

A recent materials engineer graduate from the "Gheorghe Asachi" Technical University of Iasi, Romania, a person attentive to details, optimistic, communicative, friendly, empathic, good leader and organiser, looking to secure a Document Controller position to use and further develop my analytical skills and knowledge in a practical business environment.

BRANDS WORKED WITH

Gheorghe Asachi Technical University of Iasi

"Ion Holban" High School

"Petru Poni" Technical High School

Experience

- Gheorghe Asachi Technical University of Iasi |
(2018 – 2022)
 - Throughout the 4 years of university studies, I was part of the faculty's council as adviser
 - On 14/09/2019 I participated as a volunteer in the association "Act for Tomorrow" to clean the Bicaz Dam, where tons of waste were collected in three days
 - On 10/04/2021, I volunteered in the Project "Planting the future for the new Piatra" where 5000 tree saplings were planted
 - In 2022, I represented the faculty's students for organising the graduation ceremony.
- **Volunteer**
"Ion Holban" High School | Nov 2018 - May 2019
- **Volunteer**
"Petru Poni" Technical High School | Oct 2015 - Apr 2018
During High School, I have volunteered at the children's centre "Love and Hope" from Roman. I have been a member of the "RoRec" project, the High School's recycling patrol. During this internship, I planted countless trees both in the town of Roman and in the surrounding areas, which turned into a passion.
