About

My name is Antonina, and I am a multi-potential individual with a keen interest in fashion design. My passion for the fashion and luxury industry brought me a long way, yet, I'm widely interested in womenswear development. I am experienced in conceptual and vintage and team building, capability in leadership acumen. Very precise and quality-oriented, with a solid ability to multitask, plan and organize. Positive attitude towards multidisciplinary contexts, resilient character, and great social skills. I'm amateurish gardener and professional ikebana creator. Appassionated of modern cinema and classical literature, especially Russian classical poets and writers. Very passionate about analogic photography.
