About

I am a highly experienced Creative Director with over 20 years of experience in the design industry. My expertise covers a wide range of fields, including brand identity and concept designs, publishing, live, hybrid & virtual events, and immersive technologies & production. I have developed a unique set of skills that have enabled me to make an impact in the industry.

I am passionate about creating innovative and impactful designs that are visually appealing and effective in communicating the desired message. My experience in developing successful branding campaigns has allowed me to develop a keen eye for detail and an ability to think outside the box when it comes to problem solving. I have a strong understanding of the importance of creating memorable experiences for clients and audiences alike.

I am highly organized and have excellent communication skills which enable me to work effectively with teams of all sizes. I am comfortable working independently or collaboratively depending on the needs of the project. My attention to detail ensures that projects are completed on time and within budget while still maintaining high standards of quality.
