About

I am a highly skilled sales professional, adept at nurturing long-lasting and productive client relationships. I have strong commercial instincts and am able to quickly identify and deliver upon key opportunities to drive the business forward. I am able to combine sophisticated digital skills with a sensitivity to client needs to create and execute high-performing clienteling strategies, which promote the brand's creative vision. I am an acknowledged team leader and excellent communicator, with a deep knowledge of sales environments and a strong creative perspective.
