## About

Fashion Retail Executive with a proven track record of driving growth and transformation in the dynamic UK and International retail landscape. I possess a unique blend of expertise in strategic leadership, operational excellence and digital innovation, consistently exceeding organisational objectives.

Throughout my career, I have demonstrably:

- Streamlined supply chain processes, resulting in a 15% reduction in lead times and an 18% decrease in logistics costs
- Implemented innovative omnichannel strategies, leading to a 16% year-over-year increase in online sales and a 30% improvement in Return on Ad Spend (ROAS)
- Spearheaded the launch of a B2B online portal, driving a 15% expansion into the EU market and a 45% growth in wholesale distribution

I am a passionate leader who fosters a culture of collaboration, continuous improvement and accountability. I am adept at building high-performing teams and navigating complex business environments to achieve shared goals.

I am actively engaged in the fashion retail industry and I welcome the opportunity to connect with leaders and peers who share my passion for driving growth, digital transformation and global expansion in this dynamic sector.

Worked with global luxury and high profile retail brands (Diesel, G-Star, Vilebrequin, T.M.Lewin, to name a few) including the diversity of tasks from store management, start-ups, pop-ups, airports, outlets, e-commerce, wholesale, multiple retail operations to brand strategy development across multi-channels.

Special projects: centric CRM strategy and tailored IT omnichannel programme implementation (POS systems and inventory management, features such as "ship from store" and BOPIS).

Holds an Executive Master of Business Administration (Fashion) from London College of Fashion Business School (EMBA). Chartered Manager (CMI).

Skills include:

Retail Operations, Trend Analysis, Sales Development, Finance Management, E-commerce, Outlets, Communication & Technology (CX+UX)

Strategic Marketing Management

Digital Transformation implementation

Customer Relationship Management (CRM)

B2B & D2C distribution

Global Supply Chain Management
