### Experience

#### ● Brand Manager

AQUALIS LONDON | Dec 2019 - Now

• Directly reporting to the CEO, I oversee Brand Management and Development:

- Successfully launching the brand in Harrods in 2020, ranking as one of the top 10 brands in Harrods Salon de Parfums in 2022.

- Leading the development of a comprehensive International Marketing strategy, encompassing initiatives such as overseeing Brand launch events in South Africa (Cape Town, Pretoria, and Johannesburg), launching a Pop-Up store in Alhazm (Doha, Qatar) and organising promotional sites in Harrods during key annual events

- Providing Marketing Support (VM Guideline, Ecomm Artwork, Influencer partnerships, PR) in territories such as the Netherlands and South Africa (Skins Cosmetics), and Russia (Molecule).

- Playing a pivotal role in product development by analysing market trends and target audiences to drive the creation of new fragrances. I also contribute to the new packaging, identifying new suppliers and materials to make our packaging more sustainable.

- Crafting comprehensive Brand Image Guidelines, including Visual Merchandising and artwork guidelines, to uphold the brand's luxurious and minimalistic vision.

- Leading the development of artwork for various campaigns, including video and photo content across E-commerce, Instagram, TikTok, and the Aqualis Newsletter.

- Nurturing partnerships with International Influencers. This includes co-ordinating collaboration calendars and leveraging these talents to showcase our products
