JIL SANDER

A vibrant, high-contrast photograph of a group of young people in a grassy field. In the foreground, a blonde woman in a black leather jacket and a man in a red leather jacket are looking at each other. A man in a black leather vest and a woman in a black leather jacket are lying on a red and white plaid blanket. A man in a red leather jacket is sitting on the ground. A motorcycle is parked in the foreground with a license plate that reads '19608'. The background shows a rocky hillside with more people and a yellow jacket. The overall style is edgy and rebellious, characteristic of the DSQUARED2 brand.
